PARAMOUNT
COIN CORPORATION

Dear Friend:

1980 was another exciting, banner year for rare coins. From all early indications, the new year promises to be just as exciting. On the next few pages, we are offering some of the choicest coins available today. Of particular interest are the hand selected MS-63 and MS-65 silver dollars that we acquired directly from original Treasury-sealed bags. The quality of these coins is such that I feel most of the coins we are selling as MS-63 would favorably compare to the MS-65 coins offered elsewhere at substantially higher prices. We at Paramount firmly believe that MS-63 coins are one of the best bargains in today's quality-conscious market.

I also want to draw your attention to the individual rare coin listings on pages 4 and 5. Enumerated there are many recent acquisitions which are being offered for the first time.

Naturally, everything we sell carries our famous 30 day money back guarantee. For the best selections and promptest service, please place your orders on our toll free WATS line, 800-543-2192 from anywhere in the continental United States, except Ohio. In Ohio and elsewhere call 513-836-8641. When calling, ask for the Rare Coin Department. We look forward to serving you.

Thank you.

Sincerely,

David W. Akers

Hand Selected Morgan Dollars at Favorable Prices

Paramount recently acquired a select group of Morgan Dollars consisting of these three dates: 1883-O, 1884-O and 1887. Each of these coins was "cherry picked" from original bags which were "put away" nearly 20 years ago by their former owner. Each coin offered was selected on the basis of original mint lustre, strike and freedom from significant bagmarks. Contrary to the popular belief that MS-65 and better coins abound in original bags, we found that less than 5% of the coins from these bags were deserving of that grade. HOWEVER, we were able to select attractive, lustrous and minimally bagmarked MS-63's and a few MS-65's. With the current strict grading standards, we believe you will find the MS-63's offered here will compare favorably to coins offered as MS-65 elsewhere — at higher prices.

Naturally, we guarantee your satisfaction with our 30 day money back guarantee.

United States Commemoratives

The following is a sampling of the United States silver commemoratives currently in our inventory. All have been carefully selected for their strike and overall beauty. We feel they are among the best available on today's market.

United States commemoratives attract both collectors and investors alike because of unique and interesting designs and very low mintages. Already some commemoratives are beginning to increase in value over what they were just a few months ago. But it is still not too late to add several attractive specimens to your numismatic holdings. Carefully review the listing below; we are certain you will find something of interest. Then place your order TOLL FREE at 800-543-2192 (Ohio residents call direct 513-836-8641). In the years ahead, you will be glad you did!
